Memorandum of Understanding

This Memorandum of Understanding ("MOU" also called "Agreement") is made as of the ALF Engineering Private Limited and GVR&S College of Engineering & Technology, Guntur (here in after called "GVR&S" OR "INSTUTITE") in the month of Dec 2023.

1. Introduction:

GVR&S (Gangineni Venkateswara Rao & Sailaja) College of Engineering and Technology was established in the year 2007 under the aegis of Educational society whose members have had consummate experience in the field of education. GVR&S (Gangineni Venkateswara Rao & Sailaja)- CET. has completed 15-Years – with a deep sense of satisfaction and pride over its contributions, achievements and recognition received. At G.V.R&S(Gangineni Venkateswara Rao & Sailaja) College of Engineering and Technology we believe in “Fueling the quest for knowledge”. In doing so, our commitments are in ensuring individual professional success which culminates in benefiting the society.

Creating a vast state-of- the-art academic infrastructure, putting together best of teaching talent, equipping with every required learning aid ensures that students at GVR&S (Gangineni Venkateswara Rao & Sailaja) get the best in academics. Sporting, cultural and extra-curricular facilities are put in place in order so that the students enjoy their campus life. We are truly emerging as the nurturing ground for leadership. It is becoming synonymous with practical, industry-focused education and is attracting students from across the globe. The fact that we are today a familiar face in the industry is a demonstration of its total commitment to excellence in academics.

ALF Engineering Private Limited: This memorandum of understanding (MoU) outlines the content related to **ALF Engineering Private Limited**, a technical, training and placements private aided company providing qualitative and quantitative individual development programs. It is established in 2001 in the month of march **ALF Engineering Private Limited** provides experienced and qualified resource person from Multi National Companies for one on one student interaction for their career growth. **ALF Engineering Private Limited** serves as an aggregator platform offering various projects, internships, and job opportunities. The training programs provided by **ALF Engineering Private Limited** are conducted by industry experts. The platform enables students to test their ideas, receive feedback from industry experts, and stay updated with the latest trends across different domains. Students can benefit from live projects, internships, mentor-led interactive sessions, and collaborations with partnered companies, helping them prepare for industry-ready jobs. The primary objective of **ALF Engineering Private Limited** is to provide students with valuable opportunities work with leading companies in the industry.

2.0 Recitals

WHEREAS, **ALF Engineering Private Limited** expresses its interest in establishing a collaborative engagement with GVR&S based on shared interests, as outlined in the following framework, while not limited exclusively to the areas specified in sections 2.1 and 2.2.

2.1 **ALF Engineering Private Limited** specializes in providing a comprehensive program comprising 2 months Live Industrial Training and Project-Based internship opportunity, specifically tailored for the students of **GVR&S** college.

2.2 The Parties involved aim to foster cooperation and concentrate their joint efforts in the domains of Skill-Based Training, Expert lectures, Education, and Placements.

In consideration of the above recitals and the mutual benefits to be derived hereafter, the parties agree to enter into an Agreement as follows:

ARTICLE — I: Scope of the MoU:

ALF Engineering Private Limited — Proposed MOU Objectives:

To have the long-term relationship with **GVR&S** in terms of providing the Industrial Training and internships to **GVR&S** students and making the students ready for the Industries, this will relate to the field of mutual interest for both the parties.

ARTICLE — II: Scope and Terms of Interactions:

Both CBIT and Coincent.ai shall encourage interactions between both the Institutes, Students & Engineers, of both the organizations through the following arrangements:

1. Industrial hybrid training model to GVR&S students at **ALF Engineering Private Limited** in the form of 2 months Live Projects + unpaid internship from **ALF Engineering Private Limited** partnered companies.
2. Guidance to GVR&S student in projects in various technical areas including Artificial Intelligence, Web Development, Data Analytics, and related Technologies at GVR&S by Coincent.ai on mutual agreement. Train the Faculty on the topics as agreed between **ALF Engineering Private Limited** and GVR&S.

ARTICLE-III: Effective Date and duration of the MoU:

- a) This MoU will be effective from the date of its approval by competent authorities at both ends.
- b) During its tenancy, the MoU may be extended or terminated by a prior notice of not less than one year by either party. However, termination of the MoU will not in any manner affect the interests of the students. Any clause or article of the MoU may be modified or amended by mutual agreement of **ALF Engineering Private Limited** and GVR&S.

ARTICLE — VII: Force Measure, Approval and Dispute Settlement

a) Force measure

Any delay or failure in performance by the party to this Agreement, shall not constitute default hereunder to give rise to any claims for damages against said party, if any, to the extent caused by matters beyond the control of said party including but not limited to acts of Nature, Strikes, Lock outs or other concerted acts of workmen, fires, floods, explosions, blockages, embargoes, riots, war (declared or undeclared), rebellion, sabotage, extraordinary severe weather, pandemic situation, civil commotion and criminal acts of third persons. If the project under execution is delayed by such force majeure, then upon the happening of such delay, the parties within 30 days of the happening of such event, shall give notice in writing, requesting for extension of time indicating the period for which extension is desired. Efforts will be made by both parties to give fair and reasonable extension of time for the projects at their discretion but no monetary allowances shall be made unless it is mutually agreed.

b) Approval of the MoU

This Agreement may be signed by authorized officials, whether by original signature or by scanned signature due to the current situation (provided the pdf document is accompanied with official email), signature/approval over official email, with the same effect as if the signature to any counterpart was an original signature upon the same instrument.

c) Dispute and Settlement

In case of any dispute (s), steps shall be taken by the parties to the MOU to settle the same through amicable negotiations. In case, dispute is not settled in negotiations, it shall be referred to Conciliator appointed by the designated official as per the bye law of GVR&S, Guntur to arrive at a settlement.

In case dispute is not settled in conciliation proceedings, the same shall be referred to Arbitration for resolution of the dispute under Arbitration and conciliation Act 1996. The arbitration proceeding shall be conducted as per provisions of the Arbitration and Conciliation Act, 1996. The dispute shall be referred for arbitration to sole arbitrator to be appointed by the designated official (s) as per the bye law of GVR&S — Guntur. The award of the sole arbitrator shall be final and binding on both the parties. The venue of the Arbitration shall be at Guntur in India. The award to be given by the Arbitration shall be a speaking award.

MARAMANISHI

Memorandum of understanding

This MOU is effective as of October 08th, 2020 and is by and between Maramanishi Technologies Pvt. Ltd Hyderabad - 500090 and GVR&S College of Engineering and Technology, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P.

1. **Services.** Consultant will render services and advice to Company on the Projects on Attachment A, which may be modified from time to time as agreed upon by the parties. Consultant has the right to refuse to accept any new Projects proposed by Company. Consultant is experienced in providing the type of services necessary for these Projects and has exclusive authority to determine the methods by which the Projects are completed. Consultant shall be free to work at such locations and times as he chooses, but shall be required to meet the deadlines set by the Company.

2. **Term.** The term of this agreement is Three years from the effective date. The parties may agree to renew this Agreement on a month-by-month basis for up to three years.

3. **Payment.** In return for the services to be performed hereunder by Consultant, Company will pay Consultant a fee computed at the rate of per project which is specified on sanction letter by Company during the term of this Agreement.

4. **Termination.** Either party may terminate this Agreement in writing at any time for any reason or for no reason. After such termination Company shall be obligated to pay any fees owed for services actually rendered under this Agreement.

9. **Consultant Does Not Bind Rexam.** Consultant is not authorized (1) to speak for, represent or bind Company in any dealings with any third party, (2) to accept oral or written disclosures that would create an obligation of confidentiality for Company.

10. **Inventions.** All written materials, software code and other works which may be subject to copyright or other intellectual property protection and all patentable and unpatentable inventions, discoveries, and ideas which are made, conceived or written by Consultant during the term of this Agreement, and for 90 days thereafter and which are based upon the services performed by Consultant under this Agreement ("Developments") shall be COMPANY property. Consultant agrees to hold all Developments confidential in accordance with the terms hereunder.

11. **Assignment of Developments.** Consultant will promptly disclose to Company in writing all such Developments described in paragraph 10. Consultant hereby assigns to Company all of Consultant's right, title and interest in such Developments. Additionally, Consultant agrees, at Company's expense, to review and to execute all documents that Company shall believe advisable to prosecute applications in any and all countries and to vest title in such Developments in Company. Consultant's obligations under this paragraph will extend beyond the termination date of this Agreement and shall be binding upon Consultant's assigns, executors, administrators and other legal representatives.

12. **Consultant Assignment of Rights.** Consultant shall not assign any of his rights, including the right to receive payment, under this Agreement to any third party without the written consent of Company.

MEMORANDUM OF UNDERSTANDING

**BETWEEN 1. GVR&S College of Engineering and Technology,
2. M/s Semicolon**

This Memorandum of Understanding (MOU) signifies the collaborative agreement between **GVR&S College of Engineering and Technology**, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P. (referred to as "party-1"), and M/s Semicolon, a company based in HYD (referred to as "party-2"). The primary purpose of this MOU is to establish a mutually beneficial partnership focusing on research and development endeavours. The key objectives agreed upon by both parties are as follows:

- Party-1, leveraging their expertise, will extend support to Party-2 by providing guidance and consultancy services in the development of industrial products.
- Party-2 shall share the necessary requirements for the energy meter project, including specifications such as current and voltage ratings, duty cycle, etc., with Party-1 prior to the commencement of the project.
- Any decisions pertaining to the cancellation of consultancy work, replacement of team members, and financial matters will be within the purview of Party-1's college management/principal.
- Payment for the agreed-upon amount mentioned in this MOU shall be made through cash, cheque, or demand draft.
- This MOU is valid for a period of three years from the date of signing and may be extended upon mutual agreement. Termination of the MOU by either party requires a written notice of three months in advance, with prior obligations being fulfilled.
- Both parties shall be exempt from liability for non-performance of the MOU in whole or in part due to unforeseen circumstances beyond their control, including but not limited to strikes, lockouts, nationalization, acts of war, and fire. In such cases, immediate written notification will be provided, and efforts will be made to reach mutually acceptable resolutions.
- Confidentiality shall be maintained for all information shared under this MOU, unless it is already in the public domain or disclosed to respective officers, employees, representatives, or agents. Party-1 shall return any materials utilized, including rough work, to Party-2 upon completion.

PRINCIPAL

GVR & S College of Engg. & Tech
GUNTUR - 522017

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

6. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
7. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to the second party in developing suitable teaching/training systems, keeping in mind the needs of the industry, the Second Party.
8. The general terms of co-operations shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds, and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
9. ExcelR would be the training delivery partner for the second party on various trending technologies.
10. ExcelR would be the training delivery partner for the student internships of second party on various trending technologies of minimum four weeks duration.
11. ExcelR will reach out to students to communicate about course details, webinars, blogs, industry events etc., which will be informative or promotional in nature.
12. Training & Development and dissemination of knowledge for students of second party & affiliated colleges and employees of both the organizations.

PRINCIPAL
GVR & S College of Engg. & Tech
GUNTUR - 522017

13. ExcelR would work with incubation centers/ innovation cells of second party (Case to case basis), to formulate the business cases and data collection process from various industry and academic bodies that are associated with the second party
14. Cooperation between both parties would be extended to any other area which may be mutually beneficial to both the organizations.

CLAUSE 2: SCOPE OF THE MoU

15. The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
16. **Software Technologies Training:** The first party will provide the trainings to the students and Faculties of the second party on different technologies like Data Science, Data Analyst, Artificial Intelligence, Tableau, Python, etc., Research and Development
17. **Skill Development Programs:** First Party to train the students of second Party on the emerging technologies to bridge the skill gap and make them industry ready.
18. **Guest Lectures:** First Party to extend the necessary support to deliver guest lecturers to the students of the second Party on the technology trends and in house requirements.
19. **Faculty Development Programs:** First Party to train the faculties of second Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
20. Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
21. There is no financial commitment on the part of the second party to enroll the students and faculties for the different free trainings run by the first party under Everyday Learning Initiation.

22. First party would extend the help in providing artifacts such as training records, certificates to the second party up on a written request from the second party. This information is limited to only the students of second party and at the discretion of first party.
23. In case, second party wants to conduct customized commercial training, then this agreement can be amended/adding annexure with mutually agreed terms.

CLAUSE 3: INTELLECTUAL PROPERTY

24. The first party will have the sole rights on the curriculum and related content provided in the trainings and it cannot be replicated or copied without the consent of the first party.
25. Confidentiality: Except as may otherwise be required by law, each party will hold confidential, during and after the term of this Agreement, any confidential information disclosed to it or its representatives, and will not disclose any such confidential information to any third party.

CLAUSE 4: VALIDITY

26. The period of the agreement is valid for a period of 2 years from the date of signing of this agreement.
27. This agreement will be valid only at the intentions of the parties involved therein, this MOU could be dissolved or cancelled by either party any time by giving 30 days' notice and shall not have any legal binding signature. Should either or all the parties opt not to act upon, the MOU loses its validity.

CLAUSE 5: RELATIONSHIP BETWEEN THE PARTIES

28. It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Memorandum of Understanding (MOU)

This MOU is between GVR&S College of Engineering and Technology, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P, here onwards referred as party-1, and M/s Nexaway Technologies - Hyderabad, here onwards referred as party-2 with a primary objective of "Institute-Industry-Interface" for mutual cooperation and benefit for achieving a harmonious blend from both sides.

- **Validity:** This MOU is valid for a period of three years from the date of signing, with the possibility of renewal upon mutual agreement and incorporating any necessary modifications. It is important to note that the MOU cannot be terminated midway through an ongoing project. However, either party may withdraw from the agreement by providing a written notice of three months in advance, subject to fulfilling prior obligations that continue to be in effect.
- **Scope of Work:** Party-1 agrees to provide consultancy services to Party-2 in the specific areas discussed and agreed upon during the meeting between their representatives. The financials, terms, and conditions outlined in the meeting minutes shall be followed to ensure complete fulfilment of the agreement.
- **Non-Disclosure:** Unless required by law or necessary for fulfilling obligations under this MOU, neither party shall disclose, directly or indirectly, any information obtained about the other party's affairs during the collaboration. All such information shall be kept strictly confidential, and both parties shall ensure that their respective officers, employees, representatives, and agents maintain confidentiality. Any materials utilized by Party-1, including rough work, shall be handed over to Party-2 upon completion of the work.
- **Force Majeure:** Neither party shall be held liable for non-performance, either in whole or in part, of this MOU due to unforeseen circumstances beyond their control. These circumstances may include strikes, lockouts, nationalization, acts of God, war, or fire. In such an event, the notifying party shall promptly inform the other party in writing, providing full details of the situation. Both parties shall make reasonable efforts to find mutually satisfactory solutions to overcome the difficulties arising from these circumstances.
- **Arbitration:** Any disputes arising from this agreement shall be resolved through mutual consultations between both parties. In the event a settlement cannot be reached, the dispute(s) shall be subject to the provisions of the Arbitration & Conciliation Act, 1996. The arbitration proceedings shall take place in Hyderabad as the designated venue.

MEMORANDUM OF UNDERSTANDING

**BETWEEN 1. GVR&S College of Engineering and Technology,
2. M/s Semicolon**

This Memorandum of Understanding (MOU) signifies the collaborative agreement between **GVR&S College of Engineering and Technology**, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P. (referred to as "party-1"), and **M/s Semicolon**, a company based in HYD (referred to as "party-2"). The primary purpose of this MOU is to establish a mutually beneficial partnership focusing on research and development endeavours. The key objectives agreed upon by both parties are as follows:

- Party-1, leveraging their expertise, will extend support to Party-2 by providing guidance and consultancy services in the development of industrial products.
- Party-2 shall share the necessary requirements for the energy meter project, including specifications such as current and voltage ratings, duty cycle, etc., with Party-1 prior to the commencement of the project.
- Any decisions pertaining to the cancellation of consultancy work, replacement of team members, and financial matters will be within the purview of Party-1's college management/principal.
- Payment for the agreed-upon amount mentioned in this MOU shall be made through cash, cheque, or demand draft.
- This MOU is valid for a period of three years from the date of signing and may be extended upon mutual agreement. Termination of the MOU by either party requires a written notice of three months in advance, with prior obligations being fulfilled.
- Both parties shall be exempt from liability for non-performance of the MOU in whole or in part due to unforeseen circumstances beyond their control, including but not limited to strikes, lockouts, nationalization, acts of war, and fire. In such cases, immediate written notification will be provided, and efforts will be made to reach mutually acceptable resolutions.
- Confidentiality shall be maintained for all information shared under this MOU, unless it is already in the public domain or disclosed to respective officers, employees, representatives, or agents. Party-1 shall return any materials utilized, including rough work, to Party-2 upon completion.

KW

PRINCIPAL
GVR & S College of Engg. & Tech
GUNTUR - 522017

- Any disputes arising from this agreement shall be resolved through mutual consultations. If a settlement cannot be reached, arbitration as per the provisions of the Arbitration & Conciliation Act, 1996 will be pursued. The venue for arbitration shall be in Hyderabad.

This MOU was executed on the 17th day of December 2020 at GVR&S College of Engineering and Technology, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P.

MARAMANISHI

Memorandum of understanding

This MOU is effective as of October 08th, 2020 and is by and between **Maramanishi Technologies Pvt. Ltd** Hyderabad - 500090 and **GVR&S College of Engineering and Technology**, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P.

1. **Services.** Consultant will render services and advice to Company on the Projects on Attachment A, which may be modified from time to time as agreed upon by the parties. Consultant has the right to refuse to accept any new Projects proposed by Company. Consultant is experienced in providing the type of services necessary for these Projects and has exclusive authority to determine the methods by which the Projects are completed. Consultant shall be free to work at such locations and times as he chooses, but shall be required to meet the deadlines set by the Company.

2. **Term.** The term of this agreement is Three years from the effective date. The parties may agree to renew this Agreement on a month--by-month basis for up to three years.

3. **Payment.** In return for the services to be performed hereunder by Consultant, Company will pay Consultant a fee computed at the rate of per project which is specified on sanction letter by Company during the term of this Agreement.

4. **Termination.** Either party may terminate this Agreement in writing at any time for any reason or for no reason. After such termination Company shall be obligated to pay any fees owed for services actually rendered under this Agreement.

5. **Confidentiality.** During the term of this Agreement and for a five-year period immediately following the termination of the Agreement, Consultant shall not disclose to or use for the benefit of anyone other than Company any information regarding the existence, subject matter or work to be done under this Agreement, the results obtained hereunder, or the properties, operations, activities, plans or opportunities of Company, its affiliates, suppliers or customers, as to which Consultant becomes informed in the course of rendering services hereunder and which: a) is not generally known to the public, b) was not previously known to Consultant, except through his previous employment with Rexam, or c) was not disclosed to Consultant by a third party not under a direct or indirect Company of confidence to Company.

6. **Advertising.** Consultant will not, without the prior written approval of Company, publish or use any advertising or promotion piece that mentions Company or infers a relationship between Consultant and Company.

7. **No Conflicts.** Consultant will not directly or indirectly disclose to Company, or induce Company to use, any secret or confidential information, ideas or material belonging to another. Consultant represents and warrants that he is not under any obligation to anyone else which Company might consider to be a conflict of interest with this Agreement or which imposes any restrictions on his rendering service hereunder, and that no such obligations will arise during the term of this Agreement.

8. **Consultant Information.** Company will have no obligation to maintain in confidence, and may use without restriction for its own or others benefit, all information, ideas and materials it acquires from consultant during the performance of services under this Agreement.

9. **Consultant Does Not Bind Rexam.** Consultant is not authorized (1) to speak for, represent or bind Company in any dealings with any third party, (2) to accept oral or written disclosures that would create an obligation of confidentiality for Company.

10. **Inventions.** All written materials, software code and other works which may be subject to copyright or other intellectual property protection and all patentable and unpatentable inventions, discoveries, and ideas which are made, conceived or written by Consultant during the term of this Agreement, and for 90 days thereafter and which are based upon the services performed by Consultant under this Agreement ("Developments") shall be COMPANY property. Consultant agrees to hold all Developments confidential in accordance with the terms hereunder.

11. **Assignment of Developments.** Consultant will promptly disclose to Company in writing all such Developments described in paragraph 10. Consultant hereby assigns to Company all of Consultant's right, title and interest in such Developments. Additionally, Consultant agrees, at Company's expense, to review and to execute all documents that Company shall believe advisable to prosecute applications in any and all countries and to vest title in such Developments in Company. Consultant's obligations under this paragraph will extend beyond the termination date of this Agreement and shall be binding upon Consultant's assigns, executors, administrators and other legal representatives.

12. **Consultant Assignment of Rights.** Consultant shall not assign any of his rights, including the right to receive payment, under this Agreement to any third party without the written consent of Company.

Memorandum of Understanding (MOU)

This MOU is between GVR&S College of Engineering and Technology, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P, here onwards referred as party-1, and M/s Nexaway Technologies - Hyderabad, here onwards referred as party-2 with a primary objective of "Institute-Industry-Interface" for mutual cooperation and benefit for achieving a harmonious blend from both sides.

- **Validity:** This MOU is valid for a period of three years from the date of signing, with the possibility of renewal upon mutual agreement and incorporating any necessary modifications. It is important to note that the MOU cannot be terminated midway through an ongoing project. However, either party may withdraw from the agreement by providing a written notice of three months in advance, subject to fulfilling prior obligations that continue to be in effect.
- **Scope of Work:** Party-1 agrees to provide consultancy services to Party-2 in the specific areas discussed and agreed upon during the meeting between their representatives. The financials, terms, and conditions outlined in the meeting minutes shall be followed to ensure complete fulfilment of the agreement.
- **Non-Disclosure:** Unless required by law or necessary for fulfilling obligations under this MOU, neither party shall disclose, directly or indirectly, any information obtained about the other party's affairs during the collaboration. All such information shall be kept strictly confidential, and both parties shall ensure that their respective officers, employees, representatives, and agents maintain confidentiality. Any materials utilized by Party-1, including rough work, shall be handed over to Party-2 upon completion of the work.
- **Force Majeure:** Neither party shall be held liable for non-performance, either in whole or in part, of this MOU due to unforeseen circumstances beyond their control. These circumstances may include strikes, lockouts, nationalization, acts of God, war, or fire. In such an event, the notifying party shall promptly inform the other party in writing, providing full details of the situation. Both parties shall make reasonable efforts to find mutually satisfactory solutions to overcome the difficulties arising from these circumstances.
- **Arbitration:** Any disputes arising from this agreement shall be resolved through mutual consultations between both parties. In the event a settlement cannot be reached, the dispute(s) shall be subject to the provisions of the Arbitration & Conciliation Act, 1996. The arbitration proceedings shall take place in Hyderabad as the designated venue.

MEMORANDUM OF UNDERSTANDING

**BETWEEN 1. GVR&S College of Engineering and Technology,
2. M/s Semicolon**

This Memorandum of Understanding (MOU) signifies the collaborative agreement between GVR&S College of Engineering and Technology, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P. (referred to as "party-1"), and M/s Semicolon, a company based in HYD (referred to as "party-2"). The primary purpose of this MOU is to establish a mutually beneficial partnership focusing on research and development endeavours. The key objectives agreed upon by both parties are as follows:

- Party-1, leveraging their expertise, will extend support to Party-2 by providing guidance and consultancy services in the development of industrial products.
- Party-2 shall share the necessary requirements for the energy meter project, including specifications such as current and voltage ratings, duty cycle, etc., with Party-1 prior to the commencement of the project.
- Any decisions pertaining to the cancellation of consultancy work, replacement of team members, and financial matters will be within the purview of Party-1's college management/principal.
- Payment for the agreed-upon amount mentioned in this MOU shall be made through cash, cheque, or demand draft.
- This MOU is valid for a period of three years from the date of signing and may be extended upon mutual agreement. Termination of the MOU by either party requires a written notice of three months in advance, with prior obligations being fulfilled.
- Both parties shall be exempt from liability for non-performance of the MOU in whole or in part due to unforeseen circumstances beyond their control, including but not limited to strikes, lockouts, nationalization, acts of war, and fire. In such cases, immediate written notification will be provided, and efforts will be made to reach mutually acceptable resolutions.
- Confidentiality shall be maintained for all information shared under this MOU, unless it is already in the public domain or disclosed to respective officers, employees, representatives, or agents. Party-1 shall return any materials utilized, including rough work, to Party-2 upon completion.

(Representation by Managing Director)Party 2

This MOU is executed between GVR&S College Of Engineering And Technology, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P, here onwards referred as **party-1**, and M/s HackBoats, HYD, here onwards referred as **party-2** with a primary objective of R & D Work for mutual cooperation and benefit for achieving a harmonious blend from both sides. Both parties agreed to work together to achieve the objectives:

1. that Party-1 agrees to assist Expertise on Development and consultancy work for party-2 in the development work of Industrial Products.
2. that the Party-2 with furnish brief requirements of the energy meter like current and voltage ratings, duty cycle of energy meter etc., to the party before commencement of Project work.
3. that the decision of the college management/principal is final in any aspects for cancelling the consultancy work, replacement of the existing team members by the new members, monetary issues, etc.
4. that the mode of payment of the amount agreed upon in MOU, shall be in the form of CASH/CHEQUE/DD.
5. That the agreement is valid for a period of 3 years as mentioned in the minutes of the meeting enclosed; this comes into effect from the date of signing of this MOU and may be renewed after that period if agreed by both parties. The MOU cannot be withdrawn in the middle of the course, by both parties. However, either party may withdraw from the agreement by giving a written notice of three months in advance, subject to fulfillment of prior obligations otherwise surviving.

MARAMANISHI

Memorandum of understanding

This MOU is effective as of October 08th, 2020 and is by and between Maramanishi Technologies Pvt. Ltd Hyderabad - 500090 and GVR&S College of Engineering and Technology, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P.

1. **Services.** Consultant will render services and advice to Company on the Projects on Attachment A, which may be modified from time to time as agreed upon by the parties. Consultant has the right to refuse to accept any new Projects proposed by Company. Consultant is experienced in providing the type of services necessary for these Projects and has exclusive authority to determine the methods by which the Projects are completed. Consultant shall be free to work at such locations and times as he chooses, but shall be required to meet the deadlines set by the Company.
2. **Term.** The term of this agreement is Three years from the effective date. The parties may agree to renew this Agreement on a month--by-month basis for up to three years.
3. **Payment.** In return for the services to be performed hereunder by Consultant, Company will pay Consultant a fee computed at the rate of per project which is specified on sanction letter by Company during the term of this Agreement.
4. **Termination.** Either party may terminate this Agreement in writing at any time for any reason or for no reason. After such termination Company shall be obligated to pay any fees owed for services actually rendered under this Agreement.

5. **Confidentiality.** During the term of this Agreement and for a five-year period immediately following the termination of the Agreement, Consultant shall not disclose to or use for the benefit of anyone other than Company any information regarding the existence, subject matter or work to be done under this Agreement, the results obtained hereunder, or the properties, operations, activities, plans or opportunities of Company, its affiliates, suppliers or customers, as to which Consultant becomes informed in the course of rendering services hereunder and which: a) is not generally known to the public, b) was not previously known to Consultant, except through his previous employment with Rexam, or c) was not disclosed to Consultant by a third party not under a direct or indirect Company of confidence to Company.

6. **Advertising.** Consultant will not, without the prior written approval of Company, publish or use any advertising or promotion piece that mentions Company or infers a relationship between Consultant and Company.

7. **No Conflicts.** Consultant will not directly or indirectly disclose to Company, or induce Company to use, any secret or confidential information, ideas or material belonging to another. Consultant represents and warrants that he is not under any obligation to anyone else which Company might consider to be a conflict of interest with this Agreement or which imposes any restrictions on his rendering service hereunder, and that no such obligations will arise during the term of this Agreement.

8. **Consultant Information.** Company will have no obligation to maintain in confidence, and may use without restriction for its own or others benefit, all information, ideas and materials it acquires from consultant during the performance of services under this Agreement.

9. **Consultant Does Not Bind Rexam.** Consultant is not authorized (1) to speak for, represent or bind Company in any dealings with any third party, (2) to accept oral or written disclosures that would create an obligation of confidentiality for Company.

10. **Inventions.** All written materials, software code and other works which may be subject to copyright or other intellectual property protection and all patentable and unpatentable inventions, discoveries, and ideas which are made, conceived or written by Consultant during the term of this Agreement, and for 90 days thereafter and which are based upon the services performed by Consultant under this Agreement ("Developments") shall be COMPANY property. Consultant agrees to hold all Developments confidential in accordance with the terms hereunder.

11. **Assignment of Developments.** Consultant will promptly disclose to Company in writing all such Developments described in paragraph 10. Consultant hereby assigns to Company all of Consultant's right, title and interest in such Developments. Additionally, Consultant agrees, at Company's expense, to review and to execute all documents that Company shall believe advisable to prosecute applications in any and all countries and to vest title in such Developments in Company. Consultant's obligations under this paragraph will extend beyond the termination date of this Agreement and shall be binding upon Consultant's assigns, executors, administrators and other legal representatives.

12. **Consultant Assignment of Rights.** Consultant shall not assign any of his rights, including the right to receive payment, under this Agreement to any third party without the written consent of Company.

Memorandum of Understanding (MOU)

This MOU is between GVR&S College of Engineering and Technology, Ganginenipuram, Budampadu, Etukuru (P.O), Guntur (Dt) - 522017, A.P, here onwards referred as party-1, and M/s Nexaway Technologies - Hyderabad, here onwards referred as party-2 with a primary objective of "Institute-Industry-Interface" for mutual cooperation and benefit for achieving a harmonious blend from both sides.

- **Validity:** This MOU is valid for a period of three years from the date of signing, with the possibility of renewal upon mutual agreement and incorporating any necessary modifications. It is important to note that the MOU cannot be terminated midway through an ongoing project. However, either party may withdraw from the agreement by providing a written notice of three months in advance, subject to fulfilling prior obligations that continue to be in effect.
- **Scope of Work:** Party-1 agrees to provide consultancy services to Party-2 in the specific areas discussed and agreed upon during the meeting between their representatives. The financials, terms, and conditions outlined in the meeting minutes shall be followed to ensure complete fulfilment of the agreement.
- **Non-Disclosure:** Unless required by law or necessary for fulfilling obligations under this MOU, neither party shall disclose, directly or indirectly, any information obtained about the other party's affairs during the collaboration. All such information shall be kept strictly confidential, and both parties shall ensure that their respective officers, employees, representatives, and agents maintain confidentiality. Any materials utilized by Party-1, including rough work, shall be handed over to Party-2 upon completion of the work.
- **Force Majeure:** Neither party shall be held liable for non-performance, either in whole or in part, of this MOU due to unforeseen circumstances beyond their control. These circumstances may include strikes, lockouts, nationalization, acts of God, war, or fire. In such an event, the notifying party shall promptly inform the other party in writing, providing full details of the situation. Both parties shall make reasonable efforts to find mutually satisfactory solutions to overcome the difficulties arising from these circumstances.
- **Arbitration:** Any disputes arising from this agreement shall be resolved through mutual consultations between both parties. In the event a settlement cannot be reached, the dispute(s) shall be subject to the provisions of the Arbitration & Conciliation Act, 1996. The arbitration proceedings shall take place in Hyderabad as the designated venue.
