E- Governance Policy Document

Policy Statement GANGINENI VENKATESWARA RAO AND SAILAJA COLLEGE OF ENGINEERING AND TECHNOLOGY has framed an E- Governance Policy with the primary objective of implementing e-governance in various operations, transactions and services of the institution for better efficiency, transparency and accountability. This policy shall apply to the Administration, Finance and Accounts, Student Admission and Support and Examination sections of the institute.

Objectives:

- To install an integrated, user-friendly Enterprise Resource Planning (ERP) solution to automate various modules of institutional functioning.
- To implement E-governance in every function of the institution and provide simpler and efficient system of governance within the institution and outside as well.
- To promote transparency and accountability in all the functions of the college.
- To achieve and create a paperless environment in the college.
- To provide easy and quick access to information.

Website /ICT/Self (or) e-learning Committee

Information and Communication Technology (ICT) in education is very helpful in improving the quality of education and obtaining expert knowledge from any corner of the World. A society can become a knowledge society if the ICT tools and the eLearning Technologies are effectively utilized. E-learning and technology oriented learning is also facilitated to the students through language lab, e-library and smart class rooms. Power point presentations are an integral part of the teaching methodology in most of the courses. They ensure not only effective knowledge transfer but also facilitate follow up interactive sessions with the students. The institution encourages the staff members not only to upgrade their academic profile but also their pedagogical strategies by offering advanced and latest ICT facilities.

Functions & Responsibilities:

The college Website Committee is responsible for maintaining the college's website.

- The committee ensure that content is up-to-date and accurate.
- Collaborate with the campus web team to maintain current web standards, styles, protocols, etc. and build links to high level content.
- Collect and discuss feedback from college members.
- Generate and communicate ongoing task list.
- Implement new features, and determine what should be included in the website.
- Training programmers and hands on experience for using Computers and Internet.
- Providing exposure on ICT in the present day context.
- Knowledge of using Website and contacting people through e-Mail.
- On-Line Information about Government Websites and Government Schemes.

NSS CELL

NSS Symbol

The symbol of the National Service Scheme is based on the 'Rath' wheel of the Konark Sun Temple situated in Orissa. These giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space.

The design of the symbol, a simplified form of the Sun-chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and upliftment.

Few specific objectives are:

- To understand the community in which they work.
- To understand themselves in relation to their community.
- To identify the needs and problems of the community and involve them in problem solving process.
- To develop among themselves a sense of social and civic responsibility.
- To utilize their knowledge in finding practical solution to individual and community problems.
- To develop competence required for group living and sharing of responsibilities.
- To gain skills in mobilizing community participation.
- To acquire leadership qualities and democratic attitude.
- To develop capacity to meet emergencies and natural disasters.
- To practice National Integration and social harmony.

NSS Day:

Energy Conservation Cell

Utilizing less energy is a choice and a practice known as energy conservation. Energy saving measures include turning off the lights when leaving a room, disconnecting appliances when not in use, and choosing to walk rather than drive.

Gaining more control over their energy cost and lowering the pressure on the planet's natural resources are the two main motivations for energy conservation.

All citizens have a moral obligation to utilize energy wisely in their daily lives, to prevent any waste, and to raise awareness of the value of energy conservation for a sustainable present and future. Our college's Energy Conservation Cell seeks to raise awareness of the prudent and economical use of energy while minimizing energy waste for a better future

Objectives of Energy Conservation Cell

- The Cell's mission is to develop methods and develop solutions that enable more efficient and non-intrusive usage of energy.
 - The Cell wants to investigate more effective ways to employ renewable and clean energy sources.
 - To educate children about environmental preservation and energy conservation.
 - To cultivate in pupils an attitude that would make them ambassadors for spreading awareness of energy conservation.
- Solar power
 - Bio gas plant

Professional Societies Committee

The goal of the PSCC cell is to help students achieve their academic, professional, and personal goals through a variety of programmes and events planned by the organization. to ensure that the programme is well run and that students are regularly present and actively participating.

Functions

- Building suitable facilities for professional organizations
- Holding activities for staff and students • Setting up and maintaining the events under cell.
- Working together with the departments to give developing student chapters extra attention.
- Writing the annual report of the cell's achievements.
- Finding resource people and using their skills to train the pupils in various tasks.

Objectives

- Raising the bar for engineering education and educating students about new opportunities
- Encouraging and inspiring extracurricular coursework, workshops, projects, and seminars
- Technical programs, special lectures, workshops, and seminars to prepare and coordinate symposia and displays for educational purposes.
- To give students a shared forum for exchanging viewpoints on technical subjects that interest them, as well as to facilitate technical visits, project work, employment, and contact with businesses and academic institutions.
- Encourage students to work together and be independent.
- Enticing and inspiring pupils to take part in co-curricular and extracurricular activities
- Encourage staff and students to join a variety of professional societies

GOVERNING BODY MEETING

Date: 24/08/2018

Venue: AV Room

Academic year: 2018-2019

Time: 11 AM.

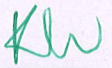

AGENDA

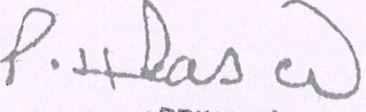

1. Introduction by the Principal and Member- Secretary.
2. Welcome address by the chairperson.
3. Preview of the previous meeting.
4. Any other suggestions from governing body members are welcome.

MINUTES OF THE MEETING

1. The committee members unanimously resolved and approved the principal's report.
2. It was decided to add more rooms to the boys and girls hostel based on the admissions.
3. All the admissions have been completed for the year 2018-2019 for Diploma, B.Tech, M.Tech and MBA. The committee suggested improving the admissions percentage in the next academic year.
4. The committee approved the appointments made after the last Governing Body Meeting.
5. The committee unanimously agreed and approved the budget for the year with few suggestions.
6. The committee discussed the AICTE extension of approval and JNTUK affiliation that has been completed and decided to keep all the courses approved in the last year.
7. The committee went through the details of audit report. The income and expenditure was found correct.
8. The committee discussed the problems rising with the busses and decided to purchase new busses for next academic year.
9. After a brief discussion, the committee decided to take necessary steps for faculty ratification.
10. The committee decided to take necessary steps for NAAC accreditation, by taking the help of experienced staff and the guidance from different intuitions, which would boost the image of the college and also improve the intake of staff and new admissions.
11. The committee decided to allow staff and students to concentrate on self growth in their respective field and also participate in seminars, workshops and paper presentations conducted in national and international levels.
12. The committee discussed the need of revising the vision and mission and quality policy of the institution and also revise the incentive policy for social welfare.

The meeting ended with a vote of thanks by principal and decided to conduct the next meeting on 14/01/2019.
