

## Dean of Academics

### **Dr.VARA PRASAD**

It is my privilege and pleasure to welcome you all to GVR&S College of Engineering and Technology.

It is an Institute where discipline and punctuality with conducive environment will provide quality education and development in frontier areas of engineering and technology. We, the faculty, staff and administration at **GVR&S** will work for producing technologically superior and ethically strong engineers for the country and the world with a purpose to serve the society & mankind. With strong team work we would achieve technological excellence in a highly competitive environment around us.

As we strive for excellence in what we do, the Institute is constantly making endeavors to scale new heights by developing synergy between academic knowledge, technical skill set in line with industry needs, high moral values and sensitivity to the environment and the nation. Therefore apart from academics, co-curricular activities, sports and cultural development will form an important part of the life at **GVR&S** from the very beginning.

I wish our students to soar high by excelling in academics and other activities upholding the name of **GVR&S** and to bring fame to the institution with their sterling qualities. In an era of stiff competition, success can only be achieved if one makes the right kind of endeavor at the right time and in the right direction. “Success will never lower its standard to accommodate us; we have to raise our standard to achieve it”.

With this I invite you to visit **GVR&S** to experience the difference.
